RE: Application No. 10/603,903

PETITION TO REFILE

On April 5, 2005 I mailed a Revised Claims and Response to Detail Actions with a check for \$60. I was aghast that you claimed that you did not receive it and had designated my patent application as abandoned. I've enclosed a copy of the cancelled check that was sent in April with the Revised Claims and Response to Detail Actions. It must be somewhere in the Patent Office. For your convenience I've enclosed is a copy of the Revised Claims and Response to Detail Actions. Please accept this and re-designate my application as patent pending. Thank you.

Sincerely,

Robin Birns

RE: Application NO. 10/603,903

Dear Examiner,

We are no longer employing the law firm of Ruden, McClosky, Smith & Russell, P.A. to complete this patent due to exuberant costs. I will complete the patent application. Please send all correspondence to me. I am submitting a response to your DETAILED ACTION letter and I am revising the claims to be more specific. Thank you.

Sincerely,

Robin Birns
